İzmir'de 1983 yılında küçük bir atölyede üretime başlayan Göktaş, zamanın şartlarına göre ürettiği kaliteli ürün ve titiz çalışma prensibinden elde ettiği başarı ile inşaat sektörüne adım atarak Göktaş İnşaat markasını oluşturmuştur.

2001 yılında sektördeki teknolojik gelişmeler ile Membrane Kapak üretim parkurunu yenileyen Göktaş, yaptığı yeni yatırımlarla da RinoDoor tescilli markası ile Panel Kapı, Ahşap Panel Kapı, Ahşap Kaplama Kapı ve Lamine Kaplama Kapı üretimine de başlamıştır. Ürettiği kaliteli ürünler ve titiz çalışma prensibi sayesinde oluşturduğu marka değeri ile yurt içinde kısa sürede kapak ve kapı ihtiyaçlarında tercih edilen firma haline gelmiştir.

2008 ve 2009 yılında yaptığı yatırımlar ile üretim parkuruna yeni makineler ekleyerek Alüminyum Kapak, Sürme Ray Kapak, Acrylic Kapak & Panel ürün gruplarını bünyesine dâhil etmiştir.

2012 yılında yeni yapılanma ile hizmet grubuna Göktaş Yapı Market mağazalarını da ekleyerek mobilya sektöründe kullanılan, hırdavat ve aksesuar malzemelerinin perakende ve toptan satışlarına başlamıştır.

2014 yılında yatırımlarını tamamlayarak dekofark ve Capitech markaları ile modüler gövde üretimine ve çelik kapı satışına başlayıp, ürünleri yurtiçi ve yurtdışı pazarına sunmuştur. Göktaş gelişen teknoloji ve sektör gelişmelerini yakından takip ederek sürekli kendini yenilemekte ve gerekli yatırımları gerçekleştirerek bugüne kadar sunduğu kaliteli ve titiz çalışma politikasını sürdürmektedir.

Göktaş bünyesindeki 2 adet yapı market, 12 adet şube ve 4 adet fabrika ile Türkiye'de, 8 adet şube ve 1 adet fabrika ile de yurtdışında hizmet veren global bir firmadır. Kurmuş olduğu pazarlama, satış, üretim ve sevkiyat ağı ile bir bütünlük içerisinde müşterilerine daha iyi hizmet sunabilmek için durmaksızın gelişmekte ve çalışmaktadır.

bizitaniyın

Starting to produce in a small workshop in Izmir in 1983, Göktaş formed it's brand by stepping into the construction sector with the success achieved from the principle of quality product and meticulous working.

In 2001, Göktaş renewed the production line of Membrane Cover with its technological developments in the sector. With its new investments, it also started production of Panel Door, Wooden Panel Door, Lamine Door Covering with registered trademark Rino Door. Thanks to the products which are o high quality and the principle of working diligently, it has become a preferred company in the domestic market for its cover and door needs in a short time.

With the investments made in 2008 and 2009, we have added aluminum lid, sliding rail lid, Acrylic lid & panel product groups to our production line by adding new machines.

With the new structuring in 2012, Göktaş Construction Market stores have been added to the service group and it started to sell hardware and accessories used in the furniture industry in wholesale and retail.

After we invested in 2014, we started to sell modular body production and steel doors with Dekofark and Capitech brands and presented products to the domestic and foreign markets. Göktaş keeps up with developing technology and sector developments and continuously renews itself and realizes the necessary investments and continues its policy of quality and meticulous work to date.

Goktas is a global company that provides service in Turkey with its 2 building markets, 12 branches and 4 factories, 8 branch offices and 1 factory abroad. It is constantly developing and working to provide better services to its customers.
